ORGANISATIONAL CONTEXT

Wodonga Council's vision is to be a vibrant, well-planned city where people, nature and opportunity thrive through connection, resilience and leadership. This vision underpins our mission to deliver efficient services and infrastructure through responsible financial management, ensuring value for the community and long-term sustainability.

Wodonga Council is committed to sustainable economic growth, responsible resource management and creating opportunities that enhance wellbeing, environmental sustainability and community connection.

Governance is provided by seven elected councillors, with the Chief Executive Officer (CEO) responsible for implementing Council decisions. The CEO is supported by an organisational structure comprising three directors and more than 300 staff who work collaboratively to deliver a broad range of services that meet the evolving needs of our community.

Strategic Planning plays a critical role in shaping Wodonga's future growth, liveability and sustainability. Through long-term land use planning, growth area planning, policy development and infrastructure coordination, the service helps ensure the city develops in a well-planned and sustainable manner. Strategic Planning supports Council's vision by balancing community needs, environmental considerations, housing growth, economic development and infrastructure provision to create connected and resilient communities.

As part of this service, the Strategic Planner leads and supports complex planning projects that guide the future development of Wodonga. The role contributes to strategic decision-making through the preparation of planning strategies, growth area plans, planning scheme amendments and stakeholder engagement activities. Working
